# Page - messagerie

The screenshot shows a messaging application interface. At the top left is a blue circular icon with a white '@' symbol. To its right is the word "Messagerie" in a large, bold, dark blue font. In the top right corner are two icons: a gear for settings and a circular profile picture of a man. Below the main title, there's a navigation bar with five icons: a house (Home), a document (List), a calendar (Calendar), a speech bubble (Messages, highlighted in blue), and a red square with a white arrow (Exit). The main content area is titled "Messages". On the right side of the screen is a blue button with a person icon and the text "Nouveau contact". The message list shows several messages from a contact named "John D.", each consisting of a profile picture, the name, a truncated message ("Lorem ipsum dolor..."), and a trash bin icon. Below this, a larger message bubble contains the text "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Integer imperdiet." followed by a green checkmark and the time "11:00". This pattern repeats four more times, with the last message being sent at 11:00. At the bottom of the screen is a light gray input field containing a smiley face emoji and a send arrow icon.
